

PRODUCTS

As the only 'Centre of Excellence' in Scotland for the International Institute of Anti-Aging, our professional spa and beauty therapists can offer you a host of luxury body and facial treatments that include manual and electrical therapies. Our fully trained face and skin clinicians will also prescribe and offer products that can be purchased at the Eden Spa to enhance your treatment at home.

Our professional product ranges include Darphin, Environ and Gérard's products. Darphin is a professional botanical Parisian skincare line based on a harmonious blend of plants and pure essential oils. Environ products use Vitamins and antioxidants, and when these ingredients are combined, they help to heal, repair and protect. Gérard's is an Italian skin and body care range that uses the finest natural ingredients cultivated at its own headquarters in northern Italy. Our Gérard's face and body treatments follow a holistic and ayurvedic approach. These deluxe products are applied during face and body manual treatments that include Bamboo and Thai massage, prescriptive facials and spa rituals.

TREATMENT EXPERIENCES

Non-surgical face and body remedies, used to delay the signs of aging, include lifting, toning and microdermabrasion. These intense treatments are non-invasive and relaxing but provide excellent results. We also offer skin needling (CST), the latest advancement in skin improvement and anti-aging.

We offer luxury hand and foot rituals, nail painting and artistic enhancements, intensive anti-aging treatments, rejuvenating and relaxing face and body experiences and contemporary aesthetics.

Our expert therapists are happy to offer professional advice. Our therapists will consult with you to create and provide treatment packages to meet your every need. Treatment packages can include spa, beauty and holistic therapies that will help you to feel indulged, relaxed and revitalised.

Please consult our treatment menu for further details of our spa and beauty experiences. We are always happy to help and will adapt our treatment options according to your requirements. Appointments are available throughout the day and also three evenings till late. Please call our reception to book your appointment.
